

Corporate Giving Standard 2011 Training Calendar

Each training session will be conducted via a web demonstration. Registered participants will receive a conference call number, along with a web address to view the demonstration. These training sessions will be interactive, allowing plenty of time for questions and discussion.

To RSVP for a training session, please email arose@corporatephilanthropy.org. Space is limited to 15 attendees per session, so reserve your desired training early! This calendar will be updated throughout the spring to reflect the open/closed training sessions.

For any questions that arise during survey completion, please contact Alison Rose at arose@corporatephilanthropy.org or 212-825-1262.
